Profile

Established in **2010**, **Anutex Laminates** has been involved in the manufacturing and supplying of Laminated Fabrics which are designed and made in adherence to the quality. We in an urge of meeting the demand and necessity of the laminated products in the market have been producing a wide range of products which includes Laminated Fabric, Waterproof Fabric and others. We use high-graded raw materials which are sourced from the authorized vendors who are shortlisted after an exhaustive study and research. These dealers carry out a series of quality on the material which are being delivered to us. The authenticity of these raw materials makes our product durable, reliable and trustworthy. Through the collective range of products we have been able to gain a satisfactory position in the industry and have also attained customer satisfaction.

We are indulged in bringing out of a variety of products which are designed by the team of experts and are sternly checked by the analyzer who are expert in this field. We therefore have a team of professionals who knows what quality is meant and how valuable it is. They work round the clock simply to bring the clients a reliable product which fulfils the basic requirements. We have always followed a customer centric approach and in order to meet it, we keep upgrading ourselves with the innovative technology and applications available in the market.

Mr. S. N. Atreya, CEO is the man behind the success of our firm, his policies and beliefs have led us towards success. He has always maintained a quality approach and have been guiding the team to develop products which are superior and excellent. His vision and mission had been very clear since the inception of the firm.
